Term Class Information

We provide a range of classes for ages 3 years+

Soft Parkour is a 45-Minute class for ages 3 - 5.5 years where the focus is on fundamental movements and basic skill work in tumbling, parkour and trampoline.

We then have our 1-Hour classes where children choose if they would like to attend Tumbling, Parkour or Trampoline; in these classes the basics are solidified before moving into the more advanced skill work.

We also offer 1.5-Hour classes for those who are at the intermediate to advanced level and they have a bit more time to work on those harder skills.

Each class covers a range of drills and activities that challenges each child to their level of ability.

In our classes, we work towards a Badge System where each child is given a level that best suits their skill level.
